

Well Covers

Thermal-Hinge Cover™

- Hinged latch for ventilation and egress. Not like a bubble or flat cover that doesn't allow air to come in.
- Saves Energy. The Fluted Design of the Polycarbonate will increase the thermal performance of any basement window.
- Three colors available: Mill, White & Bronze
- Sloped for rain, ice, and snow runoff.
- One-handed, easy latch operation for egress compliance.
- Protects people and pets from falling into the well (cover can support at least 44 lbs. per square foot).

FINISH CHOICES:

MILL
WHITE
BRONZE

Custom Order options available under the Custom & Specialized tab
